

CHARLOTTE HEATHER
BRIDAL HAIR

Are you ready

TO COLLABORATE ON BRINGING
YOUR BRIDAL VISION TO LIFE?

Transforming Your Wedding Hair Vision into a
Bespoke Bridal Look that Feels Authentically You.

WHO AM I?

HEY, I'M CHARLOTTE

Specialist in Romantic, Modern Bridal Hair

First off, I just want to say thank you for considering me to be part of your wedding journey. I'm genuinely excited to help bring your bridal vision to life and I'm here to make sure that every hairpin, every curl, and every detail is done with care.

I love creating hairstyles that feel as effortless as they look because your hair should be a reflection of you, not something that feels forced or out of place. I work with brides who want that relaxed & romantic, boho luxe vibe, with a little extra magic sprinkled in of course!

During the moments leading up to your "I do", you will be in very safe hands meaning you have more time to laugh, to breathe easy, and to enjoy the wedding prep part of your day to the max! And I believe that is SO important because it's SUCH a large part of the day - sometimes taking up a third of your whole wedding day! I'll be there to support you, keep you calm, and make sure that you feel like your most beautiful self as you step into one of the most important moments of your life.

I can't wait to meet you and help you feel like the gorgeous, confident bride you're meant to be!

My Mission is Simple...

To shape a look that lets your natural beauty speak for itself. So when you see yourself in the mirror, you feel exactly how you dreamed you would.

I believe your bridal style should feel effortless, timeless, and totally authentic. never overdone or uncomfortable. It's not about trends or rules, it's about enhancing what makes you feel beautiful.

From our first chat to the final touches on the morning of your wedding, my hope is to bring calm, joy, and a little magic to your bridal experience.

You're not just booking a hairstylist, you're choosing someone to bring care, calm and who is genuinely invested in making your morning feel special.

So why choose me?

Bridal hair isn't just about creating a beautiful style, it's about how you feel wearing it. I approach every bride with fresh eyes, an open mind, and a genuine love for creating something that feels like you. No copy-paste looks here. Just soft, romantic hair tailored to your unique vibe.

Since starting this journey a few years ago, I've poured my heart into refining my craft and building a styling experience that feels personal, relaxed, and full of intention.

My signature style leans into modern boho luxe. Think undone texture, dreamy detail, and that effortless elegance you've been pinning.

What really sets me apart? I bring an energy that's calm, grounded, and fully present. I love creating a peaceful, joyful space on your wedding morning, one where you feel heard, and totally at ease. This isn't just about hair, it's about giving you a moment to breathe, feel beautiful, and soak it all in

What my Brides say...

JO

I chose Charlotte after seeing her collection of beautiful hairstyles on her instagram page. These stunning up do's and wavy curls were exactly what I had imagined for my wedding day!

At the trial, I knew I had chosen right. Genuinely lovely, straight away made me relax and loved my hair!

Aside from being an amazing hair stylist, her professionalism was also recognised.

Everything was smooth and easy from booking, great communication and my hair was perfect on the day, could not fault a thing!

Charlotte was so friendly and approachable from the get go, when I had my trial she made me feel so relaxed and listened carefully to what I wanted my hair to be like.

She has excellent communication throughout the process and was extremely organised and punctual.

On the day, my hair was beautiful and exactly as I had imagined but better (and it lasted all day which for my hair type never happens!). All the other bridal party members commented on how great their hair looked and her talent

FAQ

01. CAN I BOOK A TRIAL BEFORE SECURING MY DATE?

It would LOVE to offer trials to everyone but my time and attention are dedicated solely to my booked brides so I can give 100% to each one. Trials are exclusively available once your wedding date is secured.

02. HOW FAR IN ADVANCE SHOULD I BOOK MY WEDDING HAIR?

My diary opens 12–14 months ahead of each calendar year and tends to fill quickly, especially during peak season. My best advice? As soon as you've found your perfect match (fingers crossed that's me!), get in touch to secure your date.

03. WHAT IF I DON'T HAVE MY FINAL NUMBERS YET?

No problem at all. You can secure your date with your minimum confirmed numbers, and then add more guests later. I'll do my best to accommodate everyone you'd love to include on the day.

04. HOW DO I SECURE MY DATE WITH YOU?

Once you're happy with everything, you'll just need to accept your personalised quote, sign the T&Cs, and place a 30% deposit. If you decide to add more guests later on, a deposit will be required to hold those extra slots too.

05. WHAT HAPPENS AFTER I'VE SECURED MY DATE?

I'll be here if you have any questions along the way - from styling ideas to prep advice. A little closer to your wedding, you'll receive an invitation to book your trial, which will include a link to available appointments at my home studio in Stamford. Then it's time to get excited and start collecting your dream hair inspo!!
